

**“MERLIN’S KIDS: ANIMALS AND CHILDREN HELPING EACH OTHER”  
(From Shelter Dog to Service Dog and a Child in Need to a Child Indeed!)**

**Merlin’s Kids** is an amazing non-profit organization founded by Canine Expert Janice Wolfe and her doggie partner “Wyatt”, a Westminster “Ace” award winner and top service dog. Merlin’s Kids saves two lives at a time by rescuing and rehabilitating shelter dogs and transforming them into individually trained service dogs for children with autism and special needs. Merlin’s Kids also serves our veterans. It transforms the lives of dogs by rescuing them from a shelter situation, training them, and giving them meaningful purpose to their lives.

These special dogs in turn help the lives of both children and adults they serve with a life long commitment to love, care, and assist. So in essence, the dogs save the kids and the kids save the dogs! It’s a match made in heaven!!

Merlin’s Kids rely solely on charitable donations. There are many ways to give back, from sponsoring a dog or child to volunteering, donating and more. Please reach out today and touch two lives!
